FOR GLOBAL
TELECOMMUNICATION
&
CRITICAL COMMUNICATION
PROVIDERS

COMPREHENSIVE IMPLEMENTATION AND MAINTENANCE SERVICES

Since 2008, we have been the backbone of satellite network support for global telecommunication and critical communication providers. Our extensive experience and technical capabilities ensure your satellite networks are implemented, maintained, configured, and troubleshot with precision and efficiency.

OUR SERVICES

IMPLEMENTATION

Seamless installation and deployment of satellite networks tailored to your specific needs.

MAINTENANCE

Proactive and reactive maintenance services to ensure uninterrupted network performance.

CONFIGURATION

Expert configuration of network systems for optimal functionality and performance.

TROUBLESHOOTING

Swift and effective resolution of any network issues to minimize downtime.

LICENSING

Assistance with all necessary licensing to ensure compliance with local and international regulations.

LOGISTICS

Comprehensive logistics management for timely delivery and setup of all equipment.

HIGH AVAILABILITY IN 140 COUNTRIES

Our global reach spans 140 countries, providing high availability and ensuring that our services are accessible wherever you operate. We combine global expertise with local presence, offering unparalleled support that adapts to the unique challenges of each work site.

TECHNICALLY CAPABLE AND EXPERIENCED SINCE 2008

With over a decade of experience, we have honed our technical skills and knowledge, making us a reliable partner in the satellite network industry. Our team of experts is dedicated to delivering top-notch services that meet the highest standards of quality and performance.

COMPLIANT AND INSURED

We adhere to all relevant regulations and industry standards, ensuring compliance across all our operations. We operate up to date, code of conduct, privacy and ethics policies and conduct regular familiarization training and assessments for all members.

Insurances available on request for extra ordinary project risks and as required by your operations policies.

GLOBAL REACH WITH LOCAL AVAILABILITY

Our extensive network allows us to provide localized support, ensuring quick response times and personalized service. We understand the importance of being close to our clients, and our local teams are always ready to assist you.

INVALUABLE MULTI-SITE SUPPORT

When you need to install and maintain multiple sites simultaneously, our services become invaluable. We offer a centralized single point of contact from start to finish, taking ownership of the task and working tirelessly until a satisfactory outcome and completion.

Why Choose Us?

EXPERIENCE AND EXPERTISE

Over a decade of industry experience with a proven track record.

GLOBAL COVERAGE

High availability in 140 countries with local support.

END-TO-END SOLUTIONS

Comprehensive services from implementation to logistics.

COMPLIANCE AND INSURANCE

Full regulatory compliance and insured services.

SINGLE POINT OF CONTACT

Streamlined communication and project management.

WE TAKE OWNERSHIP OF THE TASK

Ensuring a satisfactory result.

Partner with us for reliable, efficient, and comprehensive ground support for your global satellite networks. Contact us today to learn more about how we can support your telecommunication and critical communication needs.
